The Hair Style: Braided & Feathered

In my quest to always have a little fun with my hair, I got online and looked for some hair inspiration. I was invited last Friday to go into [Swink Style Bar](#) and try out their new [Featherlock](#) service. Of course I was excited and I couldn't wait to pair the feathers with the braided inspiration above. The hardest part was really trying to figure out what color feathers I wanted.

From Me To You: CLOSED

New Years last year my friends Sarah, Charli and I all made a visit to my favorite [Style Bar](#), [Swink](#). We came with "bad hair days" and left with hair full of style. I have been going back at least once a month (*or more*) all year and since its the season of giving I thought a **\$60 dollar gift card** would be a nice gift from me to you. I am only sorry that I couldn't give one to everyone. Also sadly **this is only for people in Seattle** - No worries come back for tomorrows giveaway that will be open Nationwide.
