Auction Spotlight: Swink Style Bar

Swink Style Bar has partnered with Get Hitched Give Hope for the last two years and we are *thrilled* to have them on board for this year! Swink is the ultimate destination for any gal looking to get dolled up, whether for her wedding day, a night out on the town or "just because"! I had the pleasure of chatting with co-owner Natalie Angelillo about the AWESOME package that they are donating this year and here is what she shared...

Natalie, what do you love most about your job?

I am lucky enough to co-own Swink and work with Jacquie Byrne my best friend and business partner everyday. We started Swink in November 2009.

There are so many things that I love about my work! However, I would have to say that it's the transformative power of beauty that never ceases to surprise and delight me. Yes, its just hair, makeup or lashes but never underestimate the power of feeling good about how you look. I can't tell you the number of stories we have about women coming in and in 30 minutes walking out feeling like they have a new lease on life.

What initially drew you to get involved with Get Hitched Give Hope?

First, I was compelled by the incredible dedication of the GHGH all volunteer staff. Jacquie and I have spent a lot of time volunteering for a variety of causes and know the time and energy it takes to make something like this happen. Cancer and cancer related causes have been a focus of ours since we opened. We have recently started the Swink Cares Foundation to bring specialized, complementary services to women and girls battling cancer.
