### Best place to get your hair done

Belly up to the (blow dry) bar at **Swink Style Bar** (Downtown, 611 Stewart St.; 206.682.7070; [swinkstylebar.com](http://swinkstylebar.com)), Natalie Angelillo and Jacquie Byrne's modern and airy salon devoted to styling your 'do. A wash, blow dry and style of your choosing (we love the perfectly straight "Fifth Avenue" and the artfully curly "Girly & Tousled") will have you perfectly coifed and out the door in 30 minutes for \$30.

## Fashion Friday: Buzz on new beauty finds and sales

- A couple of blocks south, the styling and blow-out queens at **Swink Style Bar** are adding two new services to their menu: super-trendy hair tinsel and feathering extensions. Try tinsel in lieu of jewels this holiday, the subtle or brightly colored shimmering silk is tied into hair and last several weeks for a subtle, yet fun little party accessory, or add an edgy bohemian charm with feather extension, also tied in and lasting 4-6 weeks. Given the Facebook and Twitter chatter from satisfied ladies about town, I suggest you book now!
